

# Digital Agency of the Year

DOWO Digital

DOWO Digital are a Manchester-based digital marketing, web design and digital solutions agency dedicated to helping organisations succeed in the digital world. It was founded by three entrepreneurs who between them have gained extensive skills and knowledge in technology, creative services and digital marketing, allowing them to offer a full range of services from mobile workflow apps, IT consultancy to search engine optimisation. The company partner with their customers to maximise the benefits that digital enterprise can bring to their organisation, be it increased sales, improved operational efficiencies or reduced costs. DOWO Digital's tailored solutions are helping businesses from local start-ups to globally successful organisations achieve their goals.

The Corporate LiveWire judges are highly impressed by DOWO Digital's innovative DOWO Flow business application platform, results-driven integrated digital marketing strategies and their specialist IT consulting division. Together, they have maximised the quality of DOWO Digital's services and allowed them to gain an impressive portfolio of satisfied clients. In a digital world that is constantly shifting and developing at a fast pace, some struggle to keep up, but DOWO's continually growing client base and increased service offering is quickly making them the go-to digital agency in Manchester.
